FOREWORD

May I call your attention to the excellent material offered in this sale?

The consignment from New York, rich in old world and medieval coins, are items of real merit and worthy of a home in any collector's cabinet.

The Colonial Currency contains a number of rare items. They are all in beautiful condition and should meet the approval of the collectors of this class of money.

Altogether, it is a sale of exceptional merit, containing very little of the usual run of mine material.

I bespeak your hearty co-operation and assure you of my personal attention to your bids.

TERMS GOVERNING THIS SALE

BIDDERS unknown to me will please furnish bank or other references or deposit 25% with their bids, and it is agreed that remittance will be made upon receipt of coins.

Every coin in this sale is guaranteed as genuine and any not entirely satisfactory, may be returned. There will be no charge for executing your bids but the purchaser will be required to pay the postage on their purchases.

I shall welcome your bids and will try to purchase the coins as much below your bid as possible. Where a lot has more than one coin in it, please bid on so much per piece unless sold by the lot.

If you are interested in any particular coin, I shall be glad to have you write me for full information.
